CHAIRMAN

B.ASRALT

**SPECIAL INSPECTION PROCEDURE FOR ENTRY OF NARCOTIC
DRUGS, PSYCHOTROPIC SUBSTANCES AND THEIR RAW MATERIALS
ACROSS THE BORDER OF MONGOLIA**

One. General provision

- 1.1. The purpose of this procedure is to regulate actions regarding entry of narcotic drugs, psychotropic substances and their raw materials across the state border, customs inspection, and customs clearance and closing down illegal transfer.
- 1.2. Entry of narcotic drugs and psychotropic substances shall follow the United Nations Convention on Narcotic Drugs of 1961, the United Nations Convention on Psychotropic Substances of 1971, the Law on Medicines and Medical Devices, Law on Controlling Circulation of Narcotic Drugs and Psychotropic Substances, Law on Customs, other relevant legislation and this order.

Two. Requirements for crossing the state border

- 2.1. Drugs, psychotropic substances and their raw materials shall be introduced through a specially designated border crossing point.
- 2.2. Drugs and psychotropic substances and their raw materials Based on the license for business activities and “Import / export license for narcotic drugs and psychotropic substances” issued by the Ministry of Health in accordance with the Law on Controlling the Circulation of Narcotic Drugs and Psychotropic Substances. cross the state border.
- 2.3. The State Central Administrative Body Responsible for Health Matters shall submit one copy of the license for import and export of narcotic drugs and psychotropic substances to the unit in charge of Customs control and inspection of the General Customs Administration. The unit in charge of customs control and inspection shall submit the license information to the relevant customs office or committee (hereinafter referred to as “customs office”).
- 2.4. Government Resolution No. 196 of 2003 shall apply to the smuggling of narcotic drugs, psychotropic substances and their raw materials across the state border for research purposes.

Three. Customs control and clearance

- 3.1. Customs clearance of narcotic drugs, psychotropic substances and their raw materials shall be performed on the basis of documents specified in Article 60.3 of the Customs Law and the agreement concluded between the exporter and importer.

3.2. The Customs shall receive the relevant documents and check whether the name, form, dosage, quantity, (packaging) name of the manufacturer, time of border crossing and border crossing point specified in the license are in accordance with the Customs declaration. The customs office shall attach the original copy of the license together with the customs declaration and keep it in the archive.

3.4. Licenses for narcotic drugs and psychotropic substances shall be used once for crossing the state border.

3.5. In case of discrepancy between the information specified in the license and the documents and goods of the business entity or organization introducing narcotic drugs, psychotropic substances and their raw materials, the Customs and relevant legislation shall impose liability.

3.6. The Customs shall submit the Customs clearance information on narcotic drugs and psychotropic substances to the Customs Inspection Unit of the General Customs Administration from time to time.

3.7. Customs control and inspection shall be carried out, if necessary, with the use of mobile control and equipment and techniques for detection of narcotic and psychotropic substances, as well as in the presence of representatives of professional organizations.

Four. Prohibitions

4.1. Provisions 13.1.1, 13.1.5, 13.1.7 and 13.1.8 of Article 13 of the Law on Controlling the Circulation of Narcotic Drugs and Psychotropic Substances shall be complied with.

Five. Others

5.1. Drugs, psychotropic substances and their raw materials imported across the state border shall be resolved in accordance with the Customs and relevant legislation if they exceed the name, type and quantity specified in the license issued by the competent state authority and the agreement concluded between the exporting and importing parties.

5.2. Other relations not regulated by this regulation shall be resolved in accordance with the Customs Law and relevant legislation.
